

# Interclass Field and Track Meet Will Be Held By Technical High School

## TECH TRACK TEAM WILL GET WORKOUT IN WEDNESDAY MEET

Coach McMillen Offers Ten Events and Prizes for Members of Classes.

**BUSINESS TRIES TODAY**  
Wants Win Over Western to Tie Tech for Football Title on Georgetown Field.

By BRYAN MORSE.  
Technical High School is to receive a big boost in track athletics at the first outdoor interclass field and track meet scheduled to be held at the school under the direction of Coach McMillen next Wednesday afternoon. The Tech youngsters will compete in the event, for which prizes will be given.

The outdoor performances are but preliminaries to those which will follow during the winter, according to Coach McMillen, whose plans embrace many features for his charges, and which are expected to go far toward developing many good athletes. Something like fifty athletes are to take part in the program arranged at the school on Wednesday.

There will be a 50-yard novice, a 50-yard open, 220, 440, 880, and mile, with a broad jump, high jump, and two relay races, one for midlets and one for the various classes in school. Gray jerseys with the Tech monogram will be given for winners, while attendance at 50 per cent of the practices will come in for special awards.

Captain Tibbot is the Tech leader this season, and under his skilful Tech is expected to be a deciding factor in track work during the winter and spring. Arrangements are under way for the use of the Boys' Department Y. M. C. A. during the cold months.

Tech is looking forward to putting a big squad in the various indoor meets this winter, and will send a squad to each of the outdoor meets in the spring. From activities at Tech, Central and Western, track athletic meets will be more than popular during the winter. Central has already made rapid strides under Coach Foley's direction. The usual Saturday meets are expected to be continued during the winter.

Western's new track is progressing rapidly and those in charge of construction say it will be second to none in the city. Meets have been planned during the winter on Saturdays, and the inaugural meet will probably be staged as soon as the track is ready.

Business is seeking its place in the sun today, for a victory over Western in the contest at Georgetown Field when the football teams clash will mean that for the first time in football history Business will be tied for the title.

Coach Paul White has sent Business at a lively clip since the meeting with Eastern. The showing of the Stenographer eleven was unimpressive to the coach and followers, as it was thought that Business was overconfident. Today it will be a different story, and unless Western improves in every department of the game over its last contest the Red and White is in for a beating.

Jack Gass has been selected to referee the contest in place of Paul Magoffin, who is bowling southward to take charge of the Georgia-Georgia Tech game tomorrow. The other officials will be the same as in other games.

But few shifts have been made in either team. Perry Dowrick, one of the fastest runners in the schools, will be shifted to half in all likelihood. Berlin taking his place. Ready may adorn the sidelines for awhile. Wheelchel has been shifted to half at Western, either Pat or Jack O'Brien taking the quarter-back position.

Georgetown Prep and Gonzaga will battle tomorrow on Georgetown Field.

p. m., Georgetown Field.		

In a game calculated to try out both eleven in every way. The Georgetown youngsters are intent upon winning the Jesuit title, and Gonzaga maintains, with its improved eleven, it will be able to stop the Hilltoppers.

St. Albans is expecting easy picking in its battle tomorrow morning on Satterlee Field against the Alexandria High School team. The Alexandria team held Western to a single touchdown earlier in the season and will outweight the St. Albans players. A big score is looked for, as the Cathedral eleven has come forward rapidly since the start of the season.

The Army and Navy Preps journey to Alexandria for their regular annual contest with Episcopal High School. None of the high schools or prep eleven have been able to hand the Alexandria a beating. Central, Tech and Western were defeated by Episcopal earlier in the season.

### Soldiers Guard Tickets For Army-Navy Contest

NEWBURGH, N. Y., Nov. 12.—Last night's mail took out the last of the 1,700 envelopes sent from this city to all sections of the country by the West Point athletic council, containing tickets for the Army-Navy football game in New York on November 27. As in previous years, there had been thefts of tickets and counterfeit cards distributed, the secretary this year sent the tickets by registered mail with return cards, and he can thus certify to the receipt of the envelope and contents. It had been intended to send them from West Point, but the facilities for handling such a quantity of registered mail were not ample, and arrangements were made for sending 1,700 through Newburgh.

After the envelopes had been filed, sealed, addressed, and stamped at West Point, they were placed in charge of a special guard consisting of a sergeant and two privates, who were armed, and without interference the half-dozen parcels containing the tickets arrived here in safety, were registered, receipts given to Lieutenant Meyers, and the tickets forwarded.

### Minnesota Favorite For Conference Game

MINNEAPOLIS, Minn., Nov. 12.—Chicago's chances to remain at the top of the heap in the conference football title race were slim today. The better odds were given odds of 8 to 5 on Minnesota for tomorrow's game which is the big mid-day Western battle of the day. Chicagoans are holding out for 2 to 1.

## UNIFORM CODE MAY RESULT FROM CASE

In Standing by Brickley Trinity Hopes That Whole Question Will Be Settled.

The case of George Brickley, the professional baseball player and fullback of the Trinity College eleven, flaunts defiance at the executive committee of the Intercollegiate Association of Amateur Athletes of America. That the issue has ceased to be a matter of mere games, but begs the entire amateur question has been made obvious by recent rulings of the association.

"We hope that the resolution of the I. C. A. A. A. will more plainly disclose to the public the hypocrisy and ridiculousness of the whole agitation against us, and will result in placing college athletics on a more honorable basis," said W. E. Bulkeley, president of the Trinity Athletic Committee, in his letter to Columbia yesterday.

Bulkeley falls to see how Columbia could meet Trinity, even if Brickley were not in the line-up, since the association, with Gustavus T. Kirby as a mouthpiece, had declared that all athletes playing in a game with Brickley are professionals. This would professionalize the entire Hartford team, and if Trinity were to abide by the association ruling, her football team would be a thing of the past.

### Army Is Improving as Service Game Approaches

WEST POINT, N. Y., Nov. 12.—Play-line into darkness, the variety and scrubs went through a strenuous session of drill work here yesterday in further preparation for the Maine game on Saturday. That the Army coaches do not hold the Pine Tree State men cheaply was evidenced by the painstaking care and attention given the big team's practice. The coaches worked hard with the line-men, and when the scrubs were pitted against the variety the big forwards showed plenty of aggressiveness and speed in their play. Altogether it was a most satisfactory drill.

Two touchdowns were made by the variety, coffin going over the line for both of them. His work today was pleasing. Oliphant kicked one placement goal after several trials, from the forward line. Both Captain Veyand and McEwan were back in their places. Parker was shifted over to the scrub line, where he played against Veyand at tackle. Mitchell alternated with the new man. Place, at one halfback position, while Oliphant was at the other. Merrill was used exclusively at quarterback on the variety, Gerhard driving the scrub team.

### J. Smith Decides It.

J. Smith, of the Southern Railway quint, landed the ball in the net for a successful foul shot in last night's battle with C. and O., winning the game by 18 to 15. Smith scored 4 shots from the white line and three baskets.

## WELSH WILLING TO DEFEND HIS CROWN

If Public Demands He Will Take on Charley White in Long Contest.

CHICAGO, Nov. 12.—It all depends on the sporting editors of the country, plus the balancing weight of the public, whether Champion Freddie Welsh gives Charley White a ten, twenty, or forty-five round battle this winter. Harry Pollok, the Englishman's manager, on his way through here, made this promise to Nate Lewis, White's manager.

Pollok explained to Lewis why he favors having the four best lightweights of the country picked and sent against Welsh in order, instead of letting them scrap it out among themselves, the best of the four to meet the champion.

Pollok very frankly pointed out that Freddie wouldn't get any of the pickings from the preliminaries and, therefore, being the title-holder, would demand a larger purse for the fight with the winner. He meeting all the four, Pollok said he wouldn't demand such large purses. Lewis agreed to the plan as being a fair one.

Pollok said no lightweight would be barred except Willie Ritchie. To get a fight, Ritchie will have to give Freddie a flat \$25,000 guarantee, since that's what Ritchie got for giving Welsh the memorable battle in London.

### Has Open Dates.

The Park A. C. is scheduled to meet the National Reserves Sunday on its grounds, in Potomac Park, at 2 p. m. The Park A. C. would like to arrange games for the following dates: November 25 and 27, December 4 and 11, with any 110-pound team. Address all communications to Charles Olive, 1010 Virginia avenue southwest.

### Gilbert Class Wins.

The Henry Gilbert Class defeated the Hartford A. C. 40 to 4 in basketball, and is now out for games with any teams. For games address Wilbert Thompson, 2017 Twenty-seventh street northwest.

### Suspend Kilbane for Failure to Hustle

MILWAUKEE, Wis., Nov. 12.—Johnny Kilbane, featherweight champion of the world, was suspended here today by the Wisconsin athletic commission for failing to appear in an answer to a charge that he did not do his best in his bout with Ritchie Mitchell here recently. Kilbane's suspension will stand until he appears and satisfactorily explains his alleged dilatory tactics in the Mitchell match.

### Holy Cross Turns Down Trinity Offer for Game

NEW YORK, Nov. 12.—Trinity was rebuffed again for retaining George Brickley in her line-up when she attempted to get Holy Cross to take Columbia's place on the schedule, according to an announcement made by the New York City Alumni Association of Holy Cross yesterday. Hearing that Trinity had asked Holy Cross to play the alumni in this city telegraphed a protest to President Dinant. He replied that Holy Cross would not play Trinity on Saturday. A representative of the association said that the alumni did not think it wise to put the members of the team in danger of being professionalized, and that after both New York University and Columbia had refused to play Trinity for the same reason it was the opinion that Holy Cross ought to help clean sport by declining the offer.
